ABOUT ME

As a passionate web developer, I specialize in creating visually appealing and interactive web applications with a strong foundation in HTML5, CSS, and JavaScript. I am skilled in cloud computing, leveraging AWS and Azure for scalable deployments, and proficient in MySQL database management. My expertise in data structures and algorithm design ensures robust and optimized software solutions. I am dedicated to delivering high-quality projects that combine technical excellence with user-centric design.

KEY COMPETENCIES

C/C++ HTML/CSS/Js Proficient Writing Skills

JAVA Team Management Good Interpersonal Communication

PROJECTS AND INTERNSHIPS

Covid Data Analysis Using R

Dec 2023 - Jan 2024

Project

Developed a project on COVID data analysis using R, performing statistical analyses to identify trends and patterns. By employing data visualization techniques, I illustrated key findings and highlighted the impact of COVID-19 on different demographics.

Virtual Internship at Codsoft

July 2024 - Aug2024

Web Development Intern

During my internship at CodSoft, I completed three key tasks: developing a responsive landing page, creating a professional portfolio, and designing a functional calculator. These projects showcased my skills in HTML, CSS, JavaScript, and API management, and allowed me to deliver high-quality, user-centric web solutions.

Hospital Management System

Feb 2024 - March

Project

2024

Designed a real time image based attendance system using Python. Used the various facial recognition modules to ensure the efficiency of the system and published a research paper in IRJET journal in May 2023

EDUCATION & CERTIFICATIONS

Bachelor of Engineering, Chandigarh University

Computer Science and Engineering (CGPA:8.12)
August 2024 - Current

Intermediate, Sri Aurobindo International School, Patiala Percentage – 86% % (2021-2022)

Matriculation, Sri Aurobindo International School, Patiala Percentage - 90 % (2019-2020)

CERTIFICATIONS

Introduction to R Programming for Data Science from IBM

NPTEL Online Certification for Cloud Computing from IIT Kharagpur

NPTEL Online Certification for Multi-Core Computer Architecture from IIT Guwahati

LANGUAGE PROFICIENCY

English, Hindi, Punjabi, Bengali
